**Title:** Laser for Skin Treatment

**SUPPLEMENTARY RESPONSE**

Sir:

In the response filed by the applicant on March 19, 2003 to the office action mailed on November 19, 2002 applicant omitted responding to the Examiner's comment in paragraph 2 of the office action that an abstract of the disclosure on a separate sheet is required.

Applicant notes that the present application is a national stage application of PCT Application PCT/IL99/00279 and that an abstract on a separate page is not required in national stage PCT applications (see MPEP §1803.03(e)). As indicated in the last paragraph of the section titled "THE PAMPHLET", the abstract printed on the front page of the pamphlet is used in a US Patent that results from the application and it is improper to require an abstract on a separate piece of paper. Withdrawal of the requirement is respectfully requested.
